

NOTICE

At a special teleconference meeting of the Authority held on Monday, April 20th, the Board of Directors (the "Board") of the Authority approved the **postponement** of the pumpage fee and surface water rate increases from April 1, 2020 to July 1, 2020. The Board also approved suspension of late payment penalties for a four (4) month period ending July 31, 2020, subject to submission of a written letter of request from a district to the Authority.

Should you have any questions regarding these actions of the Board, please contact the Authority office.
