NOTE: Capitalized specification sections indicated in these Table of Contents are included as part of the North Harris County Regional Water Authority’s standard technical specifications, found online at <https://www.nhcrwa.com/projects/technical-specs/> . These standard technical specifications are incorporated into this Project Manual by reference as if copied verbatim. Specifications otherwise indicated in normal case are provided by the ENGINEER and bound into this Project Manual.

Note that standard technical specification sections marked with an asterisk (*) are amended by a supplemental specification, printed on blue paper, and placed in front of the specification title it amends.

Note to Design Engineer: The asterisk (*) should be placed in front of the standard technical specification that will include a supplemental specification. The supplemental specifications shall have a capital “S” placed after the specification section number. Both the standard and supplemental specification shall be listed in the Table of Contents herein in normal case and bound into the Project Manual. This note to be removed before production.
