

North Harris County Regional Water Authority invites all Converted Entities receiving surface water to an interactive forum. Our goal is to determine how we can maximize surface water utilization while the remainder of the 60% Conversion System is under construction.

- When:** Tuesday, June 30, 2026 at 4:00 PM
- Where:** NHCRWA, 3648 Cypress Creek Parkway, Suite 110
Houston, Texas 77068
- Intended Audience:** Directors, engineers, and operators for MUDs that currently receive surface water

This meeting will be held in person only. Virtual participation will not be available. Questions can be directed to the Authority at **281-440-3924** or kibriana@nhcrwa.com.

We look forward to your participation.
